### Report on-**World Thalassemia Day, 2023**

10/ 05/ 2023 Wednesday

Today, the 10<sup>th</sup> of May, 2023 "World Thalassemia Day, 2023" was observed in the college premises under the aegis of IQAC in collaboration with Blood Centre, Fakurruddin Ali Ahmed Medical college Hospital, Barpeta to raise awareness about a genetic disorder called Thalassaemia.. The main theme on the occasion was "Be Aware, Share, Care: Strengthening Education to Bridge the Thalassemic Care Gap". The resource persons on the occasion were Dr. Bobby Duarah, Saifuddin Ahmed and Priyanka Mohanty. The programme was presided by Dr. Pradip Das, the principal of the college.

The meeting was attended both by students and faulty members. Dr. Ranjit Sabhapandit, the vice-principal of the college introduced the guests and spoke on the purpose of the meeting. The introductory speech on the occasion was presented by the Principal. Dr. Duarah delivered a lecture on its causes, symptoms and preventive measures. She also highlighted the importance of early detection and treatment of Thalassemia. Mr. Saifuddin Ahmed emphasized on awareness about the genetic disorder.

Overall, the celebration of World Thalassemia Day in our college was a great initiative towards raising awareness about the genetic disorder. It was a step towards creating a healthier and more informed society.

The concluding speech was delivered by Dr. Ranjit Sabhapandit.
